SIR,

Sri C.R.A.

With reference to your letter No.14849 /C.B.dated 13-1-1951 returning the representation of Sri K.N.Padmanabhiah and his staff and requesting that it may be examined and forwarded to Government with the recommendations of the High Court, I am directed to say that the Accountant-General in Mysore in his letter No.135/T.A. dated 8-7-50 (Copy enclosed) objected to the payment of ordinary T.A. for the prolonged halt of Sri K.N.Padmanabhiah at Kolar in connection with the trial of Sessions Cases relating to Kolar District. He however admitted the claims for 4 days in April and 31 days in May at Rs.6-10-8 per day and suggested that the proper course would be to treat the place of his duty as his temporary head quarters and to compensate him by the grant of a suitable deputation allowance. A reference was therefore made to Government in the matter in this office letter of even number dated 19-7-50 and they were ~~pleaded~~ *pleased* to sanction a deputation allowance equal to 1/10 of the salaries of Sri K.N.Padmanabhiah and his staff for the rest of the period of their stay at Kolar from 1-6-1950, in their order No.8634/C.B. 206-50-1 dated 7-9-50.

Sri K.N.Padmanabhiah and the members of his staff have now submitted representations requesting not to give retrospective effect to the said Government order on the ground that their bills for June, July, and August have been passed and they have already drawn ordinary T.A. that they had to maintain two establishments one at Kolar and another at Bangalore and that they have therefore incurred very heavy expenses in that con-

connection. The Accountant-General was requested in this office letter of even number dated 3-11-50 as to how the T.A. bills in question were passed by him in view of the objection raised by him already in his letter dated 8-7-50. A copy of reply No.331/TA dated 18-11-50 received from the Accountant-General is herein enclosed for kind ~~xxxx~~ information.

In view of the fact that the Bills have been passed and the officer and his staff have incurred heavy expenses, I am to request that the Government may be pleased to sanction the Deputation Allowance allowed to Sri K.N.Padmanabhiiah, the then third Additional District and Sessions Judge, Bangalore, and his staff from the date of the Government order referred to above. The representations of the officer and the officials are herewith returned.

Yours faithfully,

Registrar.

Letter No.331/TA. dated 18-11-50 from the Accountant-General, Mysore, Bangalore to the Registrar, High Court of Mysore, Bangalore.

T.A. bills of III Additional District Judge, Bangalore and his staff from June 50 to August 50.

In reply to your letter No.ROC.355/49-50 dated 3rd November 1950 on the above subject, I write to state as follows:-

This office letter No.135/TA. dated 7/8th July 50 referred to by you had indicated that the claims on the T.A. bill for May 50 had been admitted and that bills for succeeding months are likewise to be preferred by the officer. It was therefore brought for special consideration whether the grant of a monthly deputation allowance would not be equitable instead of D.A. for such long periods. In the meantime the T.A. claims for June 50 and July 50 came up for audit. As audit was not aware of the action taken by you on this office letter dated 7th July 50 since no copy of your letter to Government dated 19-7-50 was received here. There were technically no reasons at the time for this office to either hold up the bills or the claims being deferred in audit. The bills were therefore authorised to be paid in the usual course but at the same time a further reference was made to you in this office letter No.175/TA. d. 19-8-50 requesting to know the action taken by you on this office letter of 7/8th July 50. It was only on receipt of your reply in letter No.ROC. 355/50-51 d. 22nd Aug. 50 that this office was aware of the recommendation made to Govt. for the grant of a Deputation allowance from 1st June 50. But even then the payment of the bill for Aug. 50 could not be delayed as the exact orders of Govt. could not be anticipated. In the circumstances, it was not thought to be absolutely necessary to intimate the officer and his staff specifically that the claims from

June

2.

June 50 and onwards would be subject to orders of Government, if any, to be received on your recommendation. However since Govt. have ordered payment of D.A. at 1/10 of their salaries for their stay at Kolar from 1st June 50 the T.A. claims provisionally paid for the entire period 1st June 50 and onwards will have to be considered as being in excess and the difference between the amounts become admissible as per Govt. Order d.7-9-5 and drawn has got to be recovered from the officer concerned and his staff under Article 23 of M.C.A.C. volume I and credited to the treasury under advice to this office. Necessary action may kindly be taken in the light of the Govt. Order passed in their cases on your recommendation.

No.H.T. 698 /50-51.

Dated 28-9-50.

En 4
Sir,

I have the honour to state that in accordance with the Government Notification Order No.56/Cts.140-49-4 dated 1-4-50, No.780/C.B.41-50-1 dated 18-4-50, No.571/Cts.140-49-6 dated 24-4-50 and No.574/Cts.140-49-7 dated 24-4-50, appointing me as the Third Additional District & Sessions Judge of the District & Sessions Court, Bangalore Division, Bangalore, and empowering me to have and exercise jurisdiction concurrent with that of the Principal District Judge, Bangalore Division, and in the absence of receipt of anything contrary to that contained therein, I have treated Bangalore as my Head-quarters and have gone to and held sessions at Kolar on several dates and tried criminal cases pertaining to that District and returned to Bangalore, the Head-quarters, breaking the stay at Kolar on 25-4-50, 18-7-50, 22-8-50 and 20-9-50.

The said fact has been noted in the T.A. bills for April, May, June, July and August 1950 and submitted to the Accountant General for audit, and the said bills have been audited and passed for payment by him and the amount also drawn. Besides, I have also been sitting at Bangalore, the Division Headquarters, for trying civil suits with the approval of the High Court from 23-8-50.

The Government Proceedings Order No.8634-35/C.B. 206-50-1 dated 7-9-50 was received in this Court on 12-9-50 with the High Court R.O.C.No.355 of 49-50 dated

dated 12-9-50 and I returned to the Headquarters, Bangalore on the evening of the 20th September 1950 after completing the sessions work at Kolar and saw on the 21st instant the said proceedings considering Kolar as my temporary Headquarters and ordering me and my staff to be paid a deputation allowance equal to 1/10th of our salaries.

In this connection I submit that I and my staff have maintained two establishments one at Bangalore and the other at Kolar and have incurred very heavy expenses in connection therewith, and that should the said order be given effect to with retrospective effect both the staff, which consists of a Bench Clerk, Stenographer and two Peons as well as myself will be hard hit in these days of very high prices and will have to meet a larger portion of the expenses actually incurred out of our own pockets which, indeed, I need hardly say, will be a drain on the meagre resources of the poor clerks and peons.

Hence I request you to be so good as to recommend to Government not to give retrospective effect to the order in question. T.A. bill for September 1950 payable in October 1950 will not be drawn for the present pending receipt of further orders from the High Court.

The applications presented by my staff are herewith submitted for kind perusal and orders.

Respected Sir,

I most humbly beg to submit the following for your honour's kind consideration.

I am working as a Stenographer in the District and Sessions court, Bangalore. I was directed to work in the Kolar camp under the 3rd Additional Sessions Judge, where I have worked from 23rd April 1950.

*Submitted
K. S. Srinivasan
28.9.50*

At the first instance the Court (Kolar Sessions) was sanctioned for 3 months from 1st April. As I had to stay in the Kolar camp only for a little more than two months (as it originally stood) I could not shift my family, and hence I had to maintain my family at Bangalore and stay alone at Kolar at a very heavy expense owing to food shortage. After I spent about 2½ months at Kolar camp with great difficulty, the term of the Court was extended and I had to remain there for 1½ months more (i.e., 4 months in all, with 2 short breaks) till 22nd August 1950, subsequent to which date the 3rd Additional District Court began to work at Bangalore. Hence it was not possible for me to shift the family and I was put to a very heavy and unavoidable expenditure of maintaining the family at Bangalore and myself at Kolar.

As Kolar Sessions work was almost over by 22nd August 1950, the 3rd Additional District Court began to work at Bangalore from 23rd August 1950, except for a short sessions at Kolar for 10 days in the middle of September. After all this was over, I am given to under-

understand that as per Government Order No.8634-35/C.B.206-50-1 dated 7-9-1950 only deputation allowance at 1/10th of the salary is admissible for my stay at Kolar.

I beg to submit that, for a most economic living with half-starvation, I had to spend for myself alone about Rs.45/- per month for boarding and lodging at kolar, besides maintaining my family at Bangalore. In this state of things, if I were to be given deputation allowance at 1/10th of my poor salary and required to refund the T.A. drawn from 1st June 1950, it works a great hardship on me.

In the above circumstances, I most humbly pray that kind recommendations may be made to the benign Government not to give effect to the Government Order referred to above, in so far as the T.A. already drawn by me for my stay at Kolar in connection with the abovesaid Sessions, is concerned.

I beg to remain,

Respected Sir,

I most humbly beg to submit the following
for your honour's kind consideration.

I am working as a Bench Clerk in the District
Court under the 3rd Additional District & Sessions Judge
and I worked as such in the Kolar Sessions from 10th May
1950.

At the first instance the 3rd Additional Court
was sanctioned for 3 months from 1st April '50, to hold the
Court of Sessions at Kolar. I had to stay in the Kolar
camp for only about 2 months, as it originally stood,
and I could not shift my family to Kolar. Hence I had to
stay alone at Kolar and maintain my family at Bangalore
at a very heavy cost. About two months after I went
there the term of the court was extended and I had to
continue in the camp for 1½ months more, i.e., till 22nd
August 1950, (with two short breaks) ~~xxxx~~ and since 23rd
August 1950 the 3rd Additional District Court ~~xxxx~~ began
to work at Bangalore.

As Kolar Sessions work was almost over by
22nd August 1950, the 3rd Additional District Court has
having begun to work at Bangalore from 23rd August, except
for a short sessions at Kolar for 10 days in September.
After all this was over, I am given to understand that
as per Government Order No. 8634-35/C.B.206-50-1 dated
7th September 1950, only deputation allowance at 1/10th
of the salary is allowed for my stay at Kolar.

*Submitted.
heretofore
no A.B.S.
29.9.50*

I beg to submit that, on account of this Kolar Sessions, I had to incur an additional expenditure of about Rs.50/- per month for my stay at Kolar in addition to maintaining my family at Bangalore, and I have run into debt on account of this camp. Such being the case, if I am given deputation allowance at 1/10th of my salary and required to refund the T.A. drawn from 1st June 1950, it works a great hardship on me.

In the above circumstances, I most humbly pray that kind recommendations may be made to the benign Government not to give effect to the Government Order referred to above, in respect of the T.A. already drawn by me for my stay at Kolar in connection with the abovesaid Sessions.

Respected Sir,

I most respectfully beg to submit the following
for your honour's kind consideration.

I am a Peon working under the 3rd Additional
District and Sessions Judge and I worked as such in the Kolar
camp during the sessions.

Being a Peon getting a very small pay I felt it
extremely difficult to maintain myself at Kolar as I could not
shift my family to Kolar (and again back to Bangalore) for short
periods, and I was put to the additional expenditure of main-
taining myself at Kolar besides maintaining my family at
Bangalore. With the greatest economy it was not possible
for me to maintain myself at Kolar for less than Rs. 25/- per
month and I had to spend over and above the T.A. allowed to me.

After returning to the headquarters, I now under-
stand that as per Government Order passed very recently, only
deputation allowance at 1/10th of my salary is admissible for
my stay at Kolar. Being a Peon getting a very poor salary
I would be very hard hit if this G.O. is applied in my case.
I therefore, most respectfully pray that kind recommendations
may be made to the benign Government not to give effect to
this order in respect of the T.A. already drawn by me.

I beg to remain,
